MAPSP 2011, June 19 - 24, Nymburk, Czech Republic

10th Workshop on Models and Algorithms for Planning and Scheduling Problems

1st Call for Papers

MAPSP is a biennial workshop dedicated to all theoretical and practical aspects of scheduling, planning, and timetabling. Previous MAPSP meetings have been held in Menaggio, Italy (1993), Wernigerode, Germany (1995), Cambridge, UK (1997), Renesse, Netherlands (1999), Aussois, France (2001), Aussois, France (2003), Siena, Italy (2005), Istanbul, Turkey (2007), and Kerkrade, Netherlands (2009).

Submissions:

MAPSP submissions undergo a selection process based on a light refereeing by the PC. MAPSP does not publish proceedings other than a conference booklet. Hence, presenting your paper at MAPSP will not prevent you from submitting it to journals or to other conferences. Similarly, it is acceptable to submit a paper that was presented at an earlier conference.

Abstracts of 2-3 pages must be submitted according to the guidelines at http://www.mapsp.org/. Most talks will have 20 minutes. Some submissions will be selected for 30 minute plenary talks.
