

Dear ParCo participants,

there is no big hotel close to the conference site (Malostranske namesti 25), unless you want to make a reservation in Four Seasons hotel (1100 m walk over the Charles Bridge).

However, we have prepared a selection of small hotels in Lesser Town of Prague, which is just around the university building, where ParCo will take place. Together with Old Town of Prague and Prague Castle, Lesser Town is the principal highlight of Prague. While Old Town was more popular, Lesser Town, just on the foot of the Prague Castle hill, is full of former nobility palaces.

The hotels in Lesser town are in high demand (and September is very high season) and therefore we recommend to book hotels as soon as possible.

When reading the column „Book until“, please keep in mind that most hotels of our list offer a very limited number of rooms, much lower than the number of ParCo participants, and hence the offer in a particular hotel of the list could be booked out well before the indicated date by another ParCo participant.

In most cases, the rooms in the list are double with a discount for ParCo, sometimes the price for single use is slightly lower. With one exception (marked as +6), the price includes breakfast. Let us note that the price of Lesser Town hotel depend not only on the comfort, but mainly on the location and sometimes on view of the river or the castle.

The distance is the walking distance from a hotel to the conference building. Walking to hotels in Nerudova, Ujezd, Strahovske nadvori and Jeleni is slightly uphill, other addresses are essentially the same level as the conference site. The symbol (T) indicates that it is recommended to use a tramway – 4 stations (9 min) for Jeleni street, 2 stations (3 min) for other places.

You can book directly with the hotel, indicating ParCo reservation. In this case, please inform us about your decision at parco@kam.mff.cuni.cz.

Another way of booking is to send your choice to parco@kam.mff.cuni.cz. We will ask the hotel to make booking and to contact you.

A limited number of rooms in a student dormitory might also be available (about 15 min by a tramway) may also be available.

We look forward to meet you soon in Prague.

With kind regards,

Organizing Committee of ParCo.
